ABOUTS OUR COMPANY

The HABSHAN GROUP a U.A.E. local company based in Sharjah with its office in Sharjah. The company is ably headed by Mr. Ghulam Murtaza who is the chairman of HABSHAN GROUP.

The HABSHAN GROUP is a ISO certified and possesses Quality Management System Confirms to ISO 9001 : 2015, ISO 14001 : 2015, ISO 14001:2018 standards.

We are an organization registered and authorized by the Government of U.A.E. The establishment is a steel fabrication and engineering firm newly set up in Sharjah - United Arab Emirates.

We are specialist in HVAC Systems, Pump Rooms, Subcontracting of all Fabrication Works of GLS-Glass Lined Steel, Duplex Stainless Steel, Copper, Carbon Steel, PVC, GRP, Pipe Line, Tanks, Structure, Erection of Vessels and Equipments, Welding (GTAW + SMAW) and Manpower Supply.

WHAT WE DO COMPANY

HABSHAN GROUP provides quality personnel to all fields of expertise in the United Arab Emirates. Providing complete recruitment solutions, sourcing and supplying quality staff throughout United Arab Emirates

We provide highly skilled and unskilled labours to support with the best top, middle and lower level workforce in a short, medium and long term basis.

We adhere to a stringent Health and Safety Policy. Our main goal is to help our clients to get the best results with strict compliance to Health and Safety Policy

We provide exclusive and qualified workforce for all sectors like, Oil and Gas, Mechanical Construction, Civil Construction, Electrical, Marine & Ship, Hospitality, Manufacturing, Power and Desalination plant, Information Technology and Logistics.

We know that the trust and integrity of your manpower Search partner is of paramount importance to you and your company, and also recognize that the search firm representing your confidential hiring initiatives is vital to the success of your company. We take the trust that you place in us very seriously. Our company has made its mark in the manpower supply industry by catering to the individual needs of all those we serve and the majority of our requirements are from “repeat customers” and there is nothing more important to us than exceeding your expectations as your manpower supply firm. The trust of the repeat customers’ is the bedrock of our company’s success.

WHAT WE DO COMPANY

We have large number of manpower in our sponsorship for various fields of expertise, which helps to match the specific needs of our clients with the requisite expertise required for every position.

I encourage you to meet us to discuss our commitment to connecting you with those that will drive your business, embrace your vision and grow your bottom line.

HABSHAN GROUP has the expertise to prepare and provide the right documents for submittal to the right agency, and our experience with major projects has also given us the experience to provide your documents to the right people.

HABSHAN GROUP is also a full-service consulting firm that provides design, environmental and planning services to private industry, government agencies and general contractors.

As more corporations downsize, and/or restructure due to the economic climate, there is an increasing need for specialty companies to provide their services on an as needed basis. This allows corporations to become more competitive due to manpower reductions. HABSHAN GROUP is not burdened with the high operating expenses of larger firms. This allows the company to offer its services at very competitive rates.

OUR WORK EXPERTISE

We are a leading service provider to the oil and gas production and processing industries in UAE. We design, build operate and maintain Oil and Gas projects, Oil Refinery, Power Plant Projects, Steel Plant Project, LNG Project, Utilities and Pipeline Projects etc. with a reputation for commitment, delivery and operational excellence.

We Also holding the expertise in maintenance of Onshore/Offshore facilities including the Power Distribution System.

Every one of our colleagues as well as our partners and subcontractors has stop work authority. If it's not safe, we don't do it. We reinforce this philosophy through a combination of technical field procedures, ongoing training, and a Life Critical Requirements Program that highlights activities that could be life-threatening when not executed according to published procedures.

Public safety is a critical part of our environmental, safety, and health programs, and we work with all appropriate stakeholders to improve industry and national standards with integral approach on many projects, we prepare and implement traffic safety management plans specific to the work site and to the local roads over which equipment and materials flow to support construction.

We are always evolving and expanding our portfolio to help employ the right people for our clients open job positions by finding, hiring, training and deploying the ideal candidate.

QUALITY POLICY

HABSHAN GROUP will provide adequate procedures to our employees that satisfy standards acceptable to most industrial and Engineering entities. We will strive to improve the quality of our service at reduced cost and to constantly satisfy the expectation of our clients and relevant agencies.

The Senior Management and Staff of HABSHAN GROUP also undertake to ensure that all activities are conducted in strict accordance with company documented procedures and comply with the requirements of the ISO Standard.

HSC

It is the policy of HABSHAN GROUP to conduct its activities / operations in manner which is designed to ensure the Health, Safety and Welfare of all employees, relevant contractors and others who may be affected by its work activities, and to give regard to the preservation of the environment, particularly in its operational locations. This will be achieved by minimizing work place risks, which may give rise to accidents / injuries or occupationally related ill health. We are committed to ensuring good standards of HSE performance and we have allocated the provision of adequate resources to operate HSE as part of the overall business program.
